Hi Brian!
The RSVP didn't go through. I can manually add it though. Thanks for the email!

Hey Natalie,

I just want to confirm, whenever you have a moment, that the RSVP for myself, and my wife, [REDACTED] (b)(6) went through for the Fourth of July rooftop gathering?

I did it via iPhone in a area of bad service. If you can just confirm whenever you have a moment, that would be great.

Thanks,

Brian
